

Sprin 2007 confirmation class begins

Our 2007 Confirmation Class has begun with five Trinity middle schoolers: Ray Carreon, Adam Cheek, Janeth Garcia, Dylan May, and Aubrey Peters.

The group meets after worship with their teacher is Beth Peak Thompson.

Each Presbyterian congregation's session is responsible for providing instruction and guidance for those interested in becoming confirmed members of the congregation. The Trinity session is providing this through the Christian Education program. All of these youth's names are on the baptized roll. Upon their confirmation, their names will be moved from the baptized roll to the active membership roll.

So far, the confirmands have learned about what is involved in church membership and a way to study the Bible. According to the Book of Order, a faithful church member accepts Christ's call to be involved responsibly in the ministry of his Church.

Trinity is certainly blessed to have these bright, enthusiastic young Christians in its midst.

Dear Congregation and Session Members:

It has been almost too long to send this than-you, but somewhere I read it is better late than never.

Thank all of you for the wonderful send-off you gave Rev. Dr. Corinna Nation. You certainly know how to say good-bye in a loving, healing, encouraging way. Your farewell included a wonderful acknowledgement of her efforts at your church. You gave her a genuine, appreciative send-off.

I was her clerk of Session at the previous church she pastored and the contrast was marked. You sent her into retirement with warmth and success. Thank you!!

Sincerely,

Harriett G. Hosley
